

a new
approach to
**ACADEMIC
RESEARCH**

ADAPT was Professor Marco Biagi's brainchild to promote a new approach to academic research. It draws inspiration by the European Employment Strategy, and, in particular, by the pillar of "adaptability" of workers and enterprises to the challenges posed by modern labour markets. ADAPT is a non-profit organization, founded in 2000 in collaboration with the Centre for International and Comparative Studies DEAL - Marco Biagi Department of Economics - University of Modena and Reggio Emilia.

Since 2007, the ADAPT funded:

- **3** PhD Schools
- **315** three-year PhD scholarships

Since 2003 funded and promoted

- more than **118** apprenticeship contracts for higher education and research
- **33** private scholarships for higher education programmes
- more than **1,100** national and international conferences
- **71** one-year research apprenticeship
- **4** journals, **3** academic book series,
3 bulletins on labour issues

ADAPT • Association for international and comparative studies in the field of labour law and industrial relations.
