

WOODUAL

Dear Madam/Sir,

WOODual – Wood Sector and Dual Learning for Youth Employment and Skills- is an Erasmus+ Project, **aimed to proposing an integrate and complete strategy for improving youth employability and a better school-to- work transition.**

The project builds up a strong and continuative partnership among different stakeholders active in manufacturing and furniture sector and experts in education and training issues in order to update and improve current professional profiles in wood and furniture sector answering to the skills gap.

Today we are glad to send you our newsletter n.1 which summarizes the results achieved by the project so far.

- [WOODual project Newsletter n.1](#) 

We would also draw your attention toward the second Intellectual Output entitled “Open study and analysis on professional qualifications and learning systems in the wood sector in Europe”.

- [WOODual Intellectual Output 2](#) 

To get **more information** about the project and keep you up to date, **we invite you to subscribe to the WOODual newsletter here:**
